RE: Case No. ~~2014-0001~~ Blackfoot Communications, Inc.'s Application for Certificate of Public Convenience and Necessity for Competitive Local Exchange and Interexchange Telecommunications Service & Fretel Communications, LLC Notice of Merger

Dear Ms. Jewell:

On August 15, 2014, Blackfoot Communications, Inc. ("Blackfoot") and Fretel Communications, LLC ("Fretel") submitted an Application for Certificate of Public Convenience and Necessity for Competitive Local Exchange and Interexchange Telecommunications Service and Notice of Merger. Blackfoot/Fretel submitted this pleading in anticipation of Fretel being merged into Blackfoot effective October 1, 2014.

As explained in the application, Fretel and Blackfoot are both wholly owned subsidiaries of BTC Holdings, Inc. Fretel is a CLEC serving business customers in Idaho and Montana; Blackfoot is a CLEC serving business and residential customers in Montana. Fretel does business in Idaho as "Fremont Communications." After the merger of Fretel into Blackfoot, Blackfoot will do business in Idaho as "Fremont Communications." Thus, from a customer perspective, the merger will be transparent and will in no way change the way Fretel currently provides service. All existing customer service contacts will remain the same for Fretel's customers after the merger as they are today.

Upon the advice of Idaho Public Utilities Commission ("IPUC") Staff, Blackfoot wishes to withdraw its CPCN Application and, instead, simply have Fretel's CPCN transferred to Blackfoot. Fretel's CPCN is number 370.

Effective October 1, 2014, Fretel will no longer exist as a legal entity and thus will no longer be providing any services. Instead, those services will be provided by Blackfoot. Attached is Blackfoot's proposed Idaho Price List which will become effective on October 1, 2014.

Idaho Public Utilities Commission
